

The Satellite

Exceeding the Information Management Needs of Municipal Government

Your Presence on the Internet

This web information management convergence from
IMAS, llc, and Power Pay
allows multiple office functions to be easily undertaken from *anywhere*
regardless of which software you are running

*You do not need to change any software, hardware or banking relationship you
currently have to use our wrap-around web-based solution at no cost to the Municipality!*

- Municipalities maintain **their information and images locally, in their own offices**
- IMAS *automatically* uploads updated information, according to parameters defined by the municipal officer, to IMAS' dedicated Internet server
- All searching is executed over the internet at WebTownHall.com©, eliminating any and all threats to your local computer system and files
- Constituents, Tax Payers, Searchers, Attorneys, Banks, Newspapers, Chambers of Commerce, Realtors, or anyone needing to view recording information remotely can access your records through WebTownHall.com/showcase©
- All fees and subscriptions will be set and collected electronically by you through the merchant services of PowerPay.biz©
- Anyone can view their information remotely, pay bills, complete applications, permits and requests, or undertake County, Village, City / Town Hall business from and to any software
- Full printing services for all your needs with electronic bill notification as desired
